

HAVINAKAIRA PRE-MISSION

1. History in images

Get to know with your scout group to some historical era and based on your investigation, make a video, a photo serie or a comic that represent that era. Then publish it in Instagram with hashtags #kajahus2019 and #havinakaira.

2. Survival guide

How did people live in 19th century in Finland? Or how could people prepare food during the stone age and survive during the freezing winters? Make a survival guide with your scout group for some agient time, or for the present moment, and publish it in Instagram with hashtags #kajahus2019 and #havinakaira. You can add photos and drawings to the guide, and also bring it with you to the camp to read it with others. Create the survival guide for a person, that does not know anything about that era.

3. What if?

How could have we avoided the years of famine or the world wars? What if humans had never invented electricity? Create with your scout group an image of a world, where an important advancement or event would have been missed and because of witch the thigns would have been made completely differently. How would our world look like? Make for example a video or a story of your world image and publish it in Instagram. Remember to use the hashtags #kajahus2019 and #havinakaira.
